

Real Clean

P O S T H A R V E S T

Fruit & Vegetable Compound

For Agricultural Use Only

This product conforms with FDA regulations, 21 CFR, Subpart D, Section 173.315 for washing fruit and vegetables.

INGREDIENTS: Sodium hydroxide, Sodium lauryl ether sulfate, sulfonated sodium salts, propylene derivatives and proprietary food grade ingredients.

DANGER
KEEP OUT OF REACH OF CHILDREN

STORAGE AND DISPOSAL
STORAGE: Store in a dry, well-ventilated area at temperatures above 45°F (7 °C). May be corrosive to metals: Keep in original container. Store in corrosive resistant container with a resistant inner lining. Keep container upright to prevent leakage. Do not contaminate water, food or feed by storage or disposal. Absorb spillage to prevent material damage and store in a locked location.
PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed on site or in accordance with local/regional/national/ or international regulations.
CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. Decontaminated and punctured containers may also be disposed of in a sanitary land fill.

Product of USA

<p>HAZARD STATEMENTS CORROSIVE. May be corrosive to metals. Causes severe skin burns and eye damage. Causes serious eye damage.</p>
<p>PRECAUTIONARY STATEMENTS Keep only in original container. Do not breathe mists or vapor. If vapors are present at or above TLV, respiratory protection must be worn. Wash hands thoroughly after handling. Wear impermeable clothing, safety goggles or face shield and chemical resistant gloves. Absorb spillage to prevent material damage.</p>
<p>FIRST AID STATEMENTS IF SWALLOWED: Rinse mouth. Do not induce vomiting. Call a Poison Center or doctor if you feel unwell. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a POISON CENTER/doctor for medical advice. Specific treatments see Section 4 First Aid Measures on SDS. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor for medical advice.</p>

Real Clean is a heavy duty formulation that allows low-use solution concentrations, resulting in low-cost cleaning with optimum performance.

DIRECTIONS FOR USE

For typical field soil and natural wax removal, use 1 ounce of Real Clean per gallon of cold or warm water. When feeding Real Clean with a proportioning system or pump, adjust so that a slight foam cap is present in tanks or vats. Thoroughly rinse with potable water.
