Statement of Safety and Efficacy:

These products are safe and efficacious when used in accordance with label directions and good manufacturing practices. These products do not contain microcrystalline wax, paraffin wax, SOPP, fungicides or quaternary ammonium compounds. These products do not contain ingredients known to be derived from soy, corn, glutes or other known food allergens. To the best of the company's knowledge, these products are not made with Genetically Modified Organisms (GMOs) nor do they contain any ingredients produced with GMOs.

Statement of Compliance:

These products comply with all applicable rules set forth by the U.S. Food and Drug Administration in 21 CFR for products used in food-handling facilities and/or having direct contact with food. Nature's Shield 440-BF also complies with standards developed and enforced under the USDA National Organic Program and is suitable for use on organic crops.

Limits of Use and Special Directions:

Usage should be limited to the amount necessary to achieve the desired result. Refer to directions on product label for more information.

Sincerely,

Audrey Sehn
